**4. Membership Report:** Lionel Jones stated that we have 2 new memberships and 2 resignations from seniors and 3 new junior memberships. The current membership of the club is 149 seniors and 49 juniors.

**5. Parkhall:** DJ said that the event went very well and that some positive feedback had been received. He thanked Dan Maddock and Ryan Procter for their help. RP suggested a slight course change for next year to avoid the narrow areas with gorse. The new start went down well with no complaints.

**6. Club Records:** There was an issue with club records with some criticism of the club for not updating them regularly enough. This was discussed and it was re-iterated, as it says on the website, that it is the responsibility of members to inform the club if they believe they have broken a club record.

There were also some comments made on Facebook by the club President criticising the club for this. It was also mentioned that if he knew of the records then why hadn't he sent them to the club email?

It was suggested that the President be asked to remember that with the position held there is a responsibility to uphold the image of the club and to not criticise in public.

Ken Pearson also said that he had correlated the 15k records which can now be added to the list. He also asked to publicise that if someone believes they hold a 15k record then to let us know.

**4** Dan Jordan said the quarterly running schedules needed updating and asked for LiRF leaders to send there schedules ASAP. He also mentioned that the Trentham Triple needs to be discussed ASAP and prizes and format needs affirming. Gareth asked for committee members to send their suggestions.
